Work Experience

Welder

Aqua Hot Heating Systems - Frederick, CO

May 2021 to November 2021

Welding heat exchanges, flanges, tanks, burners other miscellaneous things around the shop. The job consisted of welding the heat exchange to the tank shell itself, soldering, cutting and rolling the copper inside the tanks and slapping the tanks together to throw in the robot. We would also hand weld a majority of the tanks. After the robot is done, I would take the tank out of the robot, patch up any holes and weld on the rest of the attachments onto the tank. Final step was to assemble the rest of the tank with the brass fittings and then pressure test before moving it to the paint booth.

Garden Associate

The Home Depot - Firestone, CO

September 2020 to May 2021

Forklift and reach truck operations, offload trucks, stock merchandise and saw operation

Welder Helper

Steel Huggers - Mead, CO

September 2019 to July 2020

On site and shop fabrication, install, welding. I've done stair core erection, hand rail installation, balcony installation, structural erection, forklift operation and basket lift operation

Ramp Agent

Menzies Aviation - Denver, CO

May 2018 to August 2019

As a ramp agent I work outside and around aircrafts. It's my responsibility to make sure that every customers bag makes it to the correct flight before departure. Each customers bag holds belongings they need so it's detrimental that those bags don't miss their flight.

Ramp Agent

Southwest Airlines - Denver, CO

March 2017 to April 2018

A Ramp Agents responsibilities at Southwest Airlines are to make sure that every plane goes out on time with every passengers bag on board. The most important duty for a Ramp Agent is to make sure our passengers get their bags when they land at their destination so it's on us to make sure everything is 100% before pushing out a plane. That doesn't just mean bags, we have to make sure the plane is also safe to fly, no dints, missing screws or scratches.

Ramp Agent

Simplicity USA

August 2016 to March 2017

As a ramp agent, I make sure that the airplane gets brought into the gate and pushed out of the gate on time. The duties of a ramp agent are load and unload luggage, lavatory service, potable water service, walking the plane in and pushing the plane out.

Maintenance/Grill

McDonald's - Brighton, CO

June 2016 to August 2016

Clean fryers, clean the lot, clean the lobby, stock and unstock. Basically anything that needs to be done in order for the restaurant to function correctly is what we do. I am also trained in the grill area so I make all the food.

Army

US Army - Fort Benning, GA

January 2016 to March 2016

Basic training

Lumber CSA

Lowe's - Brighton, CO

April 2015 to December 2015

I would load and unload trucks, load and unload customer vehicles, stock, work the register and general customer service.
