## Work Experience

---

### **Material Handler/Forklift Operator**

Instel Steel-Commerce City, CO

March 2022 to Present

I am a loader I work with sales orders and load steel material with crane on trucks. I know a lot of work I can operate 15 ton cranes and operate hyster 360-80 and I can also operate semi trucks. I got my certificate on overhead crane and forklift hyster 360-80. I'm also in charge of checking off the loads before they head out checking for all the material to be on the truck and checking to make sure to be on the road. I do inspections on material and make sure is quality material.

### **Logistics**

VESTAS AMERICAN WIND-Brighton, CO

December 2023 to February 2025

I have skills in auditing and inventory check/control I have skills with computers and transfers on scanners and doing consolidation. I am also able to do order pulling and picking. I can do receiving and shipping. I have experience in forklift operating offloading and unloading and delivery to production lines. I can also drive bt, stand up, reach forklift, Drexel forklift, 2,3,5,7, and 10 ton lifts.

### **Jbs**

JBS Beef Plant-Greeley, CO

March 2017 to March 2020

I am able to stand for long periods of time and able to work making repeated motions. Able to lift and pull 75 pounds in repeated hours. Worked with chuck line department as a Chuck bone and am able to follow instructions to order for necessary special orders to trims and cuts. Can follow all protocols and standards for the required PPE.

### **Assembler/Material Handler**

MEURER RESEARCH INC-Golden, CO

January 2017 to September 2019

I am a material and assembler. I Work with items that weigh up to 75-100lbs. I disassemble parts and clean them and assemble parts back. I have also worked with disassembling air and gas components and clean and refurbished them. I work using hand tools and equipment like forklift like the 360-48 and the hyster 90 and got my certifications. I also have my certifications for the 15 ton cranes. I have 9 years of warehouse experience. I can unload and load. I am committed hard worker.
