Experience

Stinger Truck Driver

Waste Management

November, 2019 —

As a stinger truck driver I delivered dumpsters and totters to locations around all of south Denver, working with GPS systems, addresses, and customer information to find the proper locations/ owner. Also, working in all seasons of the year and lifting heavy equipment . As for my accomplishments I was was promoted 2 times within 6 months starting as a residential helper, to a commercial helper, and currently to a stinger truck driver.
