(303)913-7732

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Specialist

The Supply Sergeant - Burbank, CA

September 2017 to September 2018

Handled ordering and receiving of products. Responsible for sales and upkeep of certain departments of the store as well. Cash handling, Opened and closed store, trained new employees, and reviewed and demonstrated new products for customers.

Apprentice Electrician

A1 Electrical Inc. - Denver, CO

June 2016 to June 2017

Learning the trade to become an electrician, observe everything so it can be retained for my hands on work as well as the testing to come, always be aware of job safety, and then power up the job and test everything.

Carpenter/Laborer

FMB Resources - Denver, CO

July 2007 to April 2016

I would help with load in/out as well as any cleaning needed done, make cuts, assembly, install, some minor fabrication, mostly learn and repeat processes to be able to perform tasks more independently.

Customer Service

The Bug Theatre - Denver, CO

October 2011 to March 2014

I worked the concessions for any show I wasn't performing in. Dispensing and security being the primary duties with money handling. I also learned production lighting as well.

Education

High school or equivalent in GED

Red Rocks Community College - Lakewood, CO

July 2009 to July 2009
