I'm a very motivated father of 2. I love to work, I feel good when I know my kids are taken care of, and knowing that I can provide for them. Working a lot is not a problem it's actually what I prefer. Im an extremely fast learner and am open to learning any new skills if there is someone who is willing to teach me. I am very dependable and rarely miss work if I can help it. I'm always willing to pick up shifts if needed. I'm a Good listener and am always looking for new smarter ways to do things. I work best in the warehouse type jobs that are more hands on, manual labor.

Authorized to work in the US for any employer
