## Work Experience

### **Inshop**

Jimmy John's Sandwiches - Fort Collins, CO

May 2018 to November 2018

Still employed, and while I love this job, I'm just not getting enough hours. Jimmy Johns has really helped improve my customer service skills, and ability to work at fast paces in a rush or to fill out big orders. My duties consist of running bread and meats on the table, running the cashier, keeping stock of things, cleaning the store and occasionally making deliveries on my bike when short handed

### **Construction Worker**

JHI - Waterloo, IA

April 2017 to September 2017

Summer construction job ended. We did just about everything though. Shingles, siding, concrete, you name it. This job taught me a lot about working with my hands, problem solving, working in a group, and working around compliations

### **Cashier**

Marcus Theatres - Waterloo, IA

August 2016 to April 2017

Dealt with tickets, getting and cooking customers food, money for the orders, and cleaning everything at night.
