Hi, so I will say that am an individual with many skills but I love to help people that's my main skill . Before my interest in the cannabis industry my passion is to workout figure the best way to approach a good routine for my self or the people that always come for advice and help, yes it's a hobby but I have been doing so great that I run my own brand and am certain that in time I will achieve bigger things. Anyhow this and my server years has helped me successfully at operating with speed and efficiency, good relationship building and multitasking abilities. Am ready to start my career in the cannabis industry so I hope this finds to whom it may concern on the best of interest and start working with you and teammates.
