To work for a growing company that will provide me with the opportunity of growth within it and will allow the development of my abilities in favor of the company's mission.

Authorized to work in the US for any employer

Work Experience

Machine Operator

Holcim Aggregate Industries - Longmont, CO

August 2022 to Present

Learned how to operate various different types equipment. Basic mechanic skills.

Sales Associate

Sherwin Williams - Longmont, CO

2016 to Present

Gained various skills on: multi-tasking, customer service, and precise attention to detail. Became a keyholder in the first four months by learning the computer system in short time and working hard. Worked the sales floor, entered orders on computers, put up stock, weekly cycle counts on devices to keep track of inventory, answered phones, set deliveries, and interacted with contractors and D.I.Y customers on a personal level on a daily basis. Have been a leader and mentor to new employees. Accustomed to harsh deadlines and last minute changes.

Accomplishments

- Became keyholder after four months
- Have various excellent online reviews on my customer service
- Open and closed store all by myself once a week
- District Manager himself greeted my accomplishments
- Wide knowledge of sherwin products

Route Delivery Driver

Main st mat - Longmont, CO
