Work Experience

Warehouse Associate

Lowe's Distribution Fulfillment Center - Statesville, NC

February 2020 to May 2022

receive the product and scan the product, put separate in a pallet and send to shipping areas. I work to in the shipping area, put the product inside of the trailer and driving stand up forklift.

Machine Operator/Assembler

vitro - Elkin, NC

November 2019 to February 2020

Type of area was an assembly line and worked close with heavy pieces and helped inspect and prepare for packaging and shipment.

Worked closely with others inspecting the product.

Fast pace and repetitive environment.

Machine Operator

Gildan

January 2019 to October 2019

Mockville, NC

Helped produce quality product and run all machinery for our area

Clean and organized work spaces were needed

Inspected each finished product from my machine before signing off to the next department

Managed to run machinery in a timely manner
