## Work Experience

---

### **Forklift Operator**

GEODIS

October 2022 to December 2022

I still work here. My daily task consist of loading and unloading trailers

### **Forklift Operator**

NFI Industries - Commerce City, CO

August 2022 to October 2022

I worked here for a few months but had to leave because the schedule didn't work for me. Drove a sit down lift with clamps

### **Freight Handler/Forklift Operator**

FedEx Freight - Commerce City, CO

February 2019 to August 2022

During my time here I worked overnight as a freight handler/forklift operator. My day to day tasks where loading and unloading freight in a fast paced environment with deadlines. I built decks to load freight more efficiently along with securing anything that needs to be. I have experience using most blade attachments moving all types of freight also with hazards, poison, pressurized tanks, etc.

## Education

---

### **Associate in Science (AS) in Electrical Engineering**

Front Range Community College - Thornton, CO

January 2020 to Present

### **High school diploma**
