I have over 20 years of warehouse shipping and receiving experience. Over 20 years of delivery and driving experience here in Colorado Springs. I am physically fit and able to keep up with the physical demands and rigors of warehouse and delivery duties. I am able to repeatedly lift and carry 100lbs + throughout a shift, and have remained accident free for the past 10 years.

Work Experience

Warehouse Manager/Driver

Front Range Aquatech - Colorado

Warehouse Manager

Front Range Aquatech - Colorado Springs, CO

April 2011 to Present

My job duties consisted of, but were not limited to, shipping, delivery and receiving of products/goods, maintaining a clean and organized warehouse, preparing job shelves for construction and service crews. I was also responsible for maintenance of fleet vehicles and job site equipment, such as air compressors, chipping hammer, rebar benders and cutters, and all other general construction equipment. Other duties included delivery of pool chemicals and supplies to residential and commercial clients.
