WORK EXPERIENCE

Gas Locator

Stake Center Locating - Fort Collins, CO - 2017-03 - 2017-08

Was responsible for locating both gas and electrical facilities in a large area of Fort Collins, Colorado. I was responsible for personal time management, in order to complete an allotted amount of work.

Fiber Optic Installation Technician

Jiggsa - Longmont, CO - 2016-04 - 2017-02

The main responsibilities included internet installation within residential buildings, traveling in a company vehicle to-and-from jobs, as well as a large amount of quick-thinking and problem solving.

Carpet Cleaner

M&J Carpet Cleaning - Fort Collins, CO - 2015-03 - 2016-03

The majority of the experience gleaned from this role pertains to time management. Each job had to be completed within a timely manner. Excellent customer service skills were also obtained since up-selling the clients on services was a large part of the job.
