ADDITIONAL INFORMATION

Skills and Interests

To Engage in a long term career where I can advance and grow with a company that will allow me to prove myself through hard work and dedication to my job.

I have remodeled a bathroom and a kitchen in my own home including the plumbing, painting, patching, electrical and installing of cabinets and appliances. I have done a lot of automotive and home repair with my father growing up. I am proficient with computers, smart phones and tablets. I am always willing to learn and work hard to achieve my goals. I have operated a skidsteer, scissor lift, and overhead crane. I obtained my class A CDL permit and am working on getting my full CDL license soon.
