SKILLS

A constant skill I've used is adaptability, with all the different types of jobs I've had it's been efficient. Time management is a huge one during my time as a shift lead/manager, this skill was indispensable. Problem Solving its a very common skill, however every work environment/ job always finds itself in a situation where problem solving comes into play.

EXPERIENCE

Costco, Superior- Morning Stocker

April 2023- current

- Merchandising experience
