Contractor • Company Jmarq Creationz • Loveland, Co

2006- 2013

Maintenance Tech • Primestar solar/GE solar • Arvada, CO

During my time at GE my greatest accomplishment was designing, sourcing/ordering materials for, and fabricating a class BBC solar panel degradation tester that GE proceeded to fund the building of another 10 testers rather than to purchase off the shelf units from other companies. By doing this they were able to save over a half million dollars on each unit. I also helped develop, install, and maintain an in house waste water treatment facility for hazardous materials removal and recycling.

## EDUCATION

---

Front Range C.C.

I took and completed Auto Body 1 courses while in high school and nearly completed Auto Body 2 courses but was cut short due to a move out of state. I immediately got a job at an auto body shop in WI at Cardinal Collision Repair and received OTJ experience to complete my course work.

## SKILLS

---

Over the last 25 years I have learned a very wide range of job skills that include carpentry, plumbing, residential and some commercial electrical, customer service as well as the formal auto body education. I am proficient in Tig/mig welding and am capable of working with Al, for example, welding Al vacuum pumps to Al vacuum chambers and successfully reach Hi-Vac showing there was no presence of any virtual leaks. I have a high mechanical aptitude and
