

Joshua Gilliom

Federal Heights, CO
joshgilliom@hotmail.com
5127187660

Authorized to work in the US for any employer

Work Experience

Technical manufacturing/extractor

The Green Solution - Denver, CO
March 2018 to Present

Joint roller >1k per day.

Hydrocarbon extractor - experienced with Haskel rebuild and repair. Helped to get the fresh frozen/mixed gas off the ground at Nectar bee.

Most experienced with propane and a mix with n butane. Certified in mixed gas and single gas tank filling by DFD/general air. Also certified for ETS 1300 operation. I can operate a MEP with ease.

Starbucks Shift Supervisor

Starbucks
June 2015 to January 2018

Was the manager on duty and responsible for up to 8 employees at a time. I also counted inventory and cash, log temperatures, and help irritated customers while keeping the store running and morale high.

I have received awards from my coworkers for the things I do whenever I can to help.

Computer Technician

Advanced Computers - Pueblo West, CO
March 2011 to June 2014

Repair computers in store and on site; including apple and pc desktop and laptop systems. Provide support to customers over the phone, through remote access, or in person.

Sell new and used computers based on customer specifications. I built several systems from scratch including some strange modifications.

Assistant Store Manager

Little Caesars - Pueblo West, CO
September 2001 to November 2010

I was responsible for up to 10 employees while counting inventory and cash and preparing orders for customers, maintaining store cleanliness, delivering orders, and other miscellaneous duties as required.

Education

Bachelor's History

Colorado State University-Pueblo

Associate computer information systems

Pueblo Community College
