• Hi I'm Joshua Dale Godbey I'm currently working for UNIFI in Yadkinville NC I've been working for Unifi for a couple of years was let go during COVID then they called me back to work after the covid was over I was dismissed approximately 3/4 months then they called me back in to work which was good to me because I had already started looking for another job when I went back they gave me 1.00 more raise it's just I'm in a department where I'm actually maxed out as far as how much more money they will give me .I work 12 hour shifts my boss nan is a good man and has been very good to me but I'm ready to buy me a house snd get started on my life ... And I'm ready to find my career job . So like I said I've got a job but I'm looking to get a better job with more income and better benefits and a career job so please keep me in mind Thank You Josh Godbey
