I am looking to obtain employment with a company that offers more frequent customer interactions. Although I enjoyed working for a manufacturing company, I would like to obtain a position where I can share my skills, experience and knowledge with a customer focused team that is out-come oriented and willing to succeed.

EXPERIENCE

JANUARY 2018 - AUGUST 2019

PRODUCTION & FORKLIFT OPERATOR, ATLAS

Atlas Roofing Corporation manufactures and supplies building materials. The job duties I was responsible for pertained to the production and distribution of manufactured goods. I implemented, organized and recommend strategies to ensure that the product was developed successfully, in accordance with all specifications. I performed many different roles and am CPR certified,
