## Work Experience

---

### **Butcher/Meat Cutter**

jbs meat plant - Greeley, CO

December 2015 to September 2017

In this job I to operate a power in which I had to cut big pieces of meat into two. Following a certain measurement and when the saw would brake. I had to turn it off put a lock on it in order to replace the blade and change the blades.

### **Meat Cutter**

mountain state rosen - Greeley, CO

February 2015 to September 2015

I would cut the meat that come on the conveyer belt into smaller pieces and sometime I had to cut the bone out of a certain piece of meat to make the production.

### **General Laborer**

rwi safety services - Gilcrest, CO

August 2012 to October 2014

#### Responsibilities

I would wrap the fracing pipes in safety harness and watch the well to make sure its safe to frack

#### Accomplishments

I got my safe land card and I knew what areas to stay away from and use extreme caution in when fracing

#### Skills Used

general labor

### **milker**

Long Peaks dairy - Pierce, CO

April 2011 to July 2012

#### Responsibilities

I would bring in the cow into the barn and sensitize in order to milk them. then I would have to clean the cow up after that take them back to the barn and lock in they're pens. it was a repeating processes.

#### Accomplishments

I always got the job done on time and sometime and I would have to translate for boss in which I would have to accompany him around the dairy to talk to the other workers.
