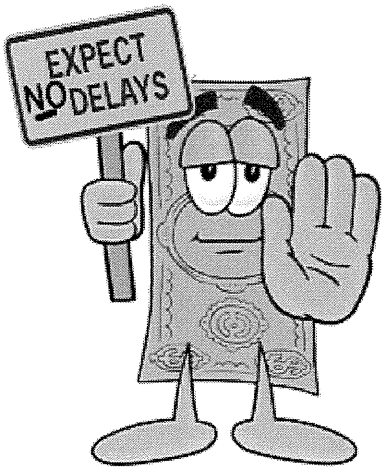
RECEIVE YOUR PAY WITHOUT DELAY



In order for you to continue to receive your pay each week without delay we are encouraging all employees to use direct deposit or Global Cash Card. **It is becoming more and more difficult for employees to cash checks without fees or delay due to increased security at all banks. Also, if your check is lost or stolen you will have to wait 3 days for another check.**

GLOBAL CASH CARD

If you don't have a bank account, computer access or don't want to use direct deposit you can use **Global Cash Card** which works like a Visa.

- There are **NO FEES** for the card for your first transaction as a cash withdrawal at an ATM or if you use it like a credit card (not debit) to make individual signature purchases.
- **If you don't have access to a computer you can receive TEXT notifications for your pay check amount on pay day as well as what the current balance is. You can also receive low balance notifications set to the dollar amount that you determine on the attached form.**
- You may call Customer Service 24 hours a day, 7 days a week, 365 days a year at 888-220-4477 for balance inquiries or other questions. (Para Español, apriete dos)
- You can pay bills with the GCC (by phone/internet/in person). You can also set up your online account to make automatic payments.

Please complete the attached form and turn it in to your manager as soon as possible indicating whether you would like direct deposit or Global Cash Card. Please make sure you include an email address.

INJURY MANAGEMENT PROGRAM

Injured Worker's Responsibilities

As your employer, we are concerned about your full recovery. Reasonable and necessary medical care will be paid for any compensable work injury. Medically authorized time away from work will be reimbursed in accordance with the **State of Minnesota workers' compensation laws**. Wherever possible light duty restrictions imposed as a result of your injury will be accommodated.

RESPONSIBILITIES OF THE INJURED WORKER:

Minnesota Rule Sec. 5221.0430, Subp. 1 requires that you choose one primary health care provider. Subpart 2 places limitations on your right to change primary health care providers. Discuss with your employer any change in health care provider.

Attend all scheduled appointments. While on physical limitations, visits should be a minimum of once every two weeks. Failure to have current medical support for disability may result in termination of benefits. Schedule your next appointment immediately after your doctor visit, before you leave the clinic if possible.

Obtain a Report of Workability from your physician at every appointment, a minimum of once every two weeks. M.R. 5221.0420 requires that your physician cooperate with return to work planning and that you be released to return to work at the earliest appropriate time.

Immediately following your appointment, provide a copy of the report to the designated employer representative. You should deliver this in person so that changes in work restrictions may be addressed and any questions answered.

Follow all physical restrictions at home and at work.

Report to work and perform physically suitable tasks as assigned. These may or may not be in your regular department. The work may or may not be on your usual shift.

Maintain regular, weekly, communication with your employer if you are unable to return to work. Contact your employer a minimum of after every visit with your primary health care provider. Keep the claims representative advised of your status.

Notify your employer immediately of any new injuries or conditions that impact your physical condition.

If it is necessary to miss scheduled work due to a work injury, you must be seen by your primary health care provider the same day in order to receive compensation for the time away from work. The physician must complete a Report of Workability.

I have read my responsibilities and agree to abide by these guidelines.
