(303) 351-7488

Authorized to work in the US for any employer

## Work Experience

---

### **Prep Cook/expo**

Quaker Steak & Lube - Westminster, CO

July 2017 to November 2017

Keeping the peace between kitchen staff and front of house staff can definitely be a challenge, however with a few nice words, and compromise, this challenge was one I was able to achieve. (At least most of the time.)

### **sushi chef/server**

Tokyo Joe's - Arvada, CO

September 2016 to June 2017

### **Plastic Injection Mold Operator**

Tesco engineering - Rollinsville, CO

January 2015 to June 2015

I used different mold injection presses. Such as a 500 ton press to make rock polymers. Carried 50 lb bags up a ladder to pour into the machine and trimmed and smoothed out parts to fit the customer's needs.

## Education

---

### **High school or equivalent in Graduated as a junior at the top of my class of 5.**

Chinook West Alternative High School - Nederland, CO

September 2012 to May 2013

## Skills

---

Food Prep, Grill, Food Service, Kitchen Staff, Manufacturing, Product Development
