Summary

I am looking to work for a company that I can grow and excel with that has room for advancement and that I can retire from. I feel like given the opportunity I can be a good asset to a good company with my decade of warehouse experience and even longer being hands on and using power equipment as well as being able to excel at work under the pressure of being timed and/or deadlines in general.

Education

Colorado State
Highschool diploma
Denver , Colorado
Graduated May 2001

After highschool I took one year in business management at frontrange community college.

Employment History

Padilla excavating
Warehouse associate
Commerce City, Colorado
July 2001 â February 2003

I was responsible for shipping and receiving, inventory, ordering supplies\keeping fully stocked warehouse, unloading product as well as stocking and maintaining a clean warehouse.

Compass logistics

Order selector

Denver, Colorado

March 2003 â November 2006

My duties included pulling orders on a ride on pallet jack both in cages or on pallets both accurately and in a timely fashion as well as wrapping and staging orders at corresponding dock\door. I received orders by headset

Padilla excavating

November 2006 â July 2010

Mbm

Order selector

January 2011 â May 2013

Duties included unloading product to stage it, pulling orders via ride on pallet jack both accurately and timely then checking accuracy by rf gun, wrapping and stage orders.

Emj

Order selector/ graveyard cutter

Denver, Colorado

July 2014 â February 2017

I was responsible for pulling orders of metal by side loader, measuring product both before i cut and after i cut required sizes/pieces utilizing overhead cranes to get material from pan on to saws and back into pan keeping track of orders and material using a rf gun.

Hobbies & Interests

I am a single father that enjoys being one. I have raised my son for 13 years alone, Besides doing things with and for my son I enjoy furthering my general knowledge about various subject including but not limited to history, finance, religion and politics by both reading and watching documentaries.

Professional Skills

I can work any equipment you may find in a warehouse including but not limited to overhead cranes, sideloaders, forklifts, stand on pallet jacks, reachforks and order pickers. I can also operate skidsters, bobcats and front end loader.:
