Experience

Carpenter Apprentice **09/19 to Current**
Suntec Concrete Inc. | Denver, CO

- Used numerous types of power tools and other equipment daily.
- Troubleshoot equipment issues and determined best courses of action for repairs.
- Maintained safety of work areas by adhering to strict regulations.
- Upheld all requirements for safe operations and reporting of incidents.
- Used forklifts and other equipment to move materials and complete project work with construction team.
- Used various chemicals and tools to repair damaged items.
- Worked closely with team members to deliver project requirements, develop solutions and meet deadlines.
- Built, set, and stripped concrete forms including floors/decks, crash walls, and columns.
- Certified in fall prevention/protection.
- Kept a clean and organized Jobsite for the safety of workers.

- Poured concrete into forms, using a concrete pump as well as using a vibrator to settle the concrete into the form.
- Completed School Of Mines project resulting in a 4 story concrete parking garage.
- Worked away from home in Idaho for Project Bronco, Became really familiar with that job site and Clayco's strict regulations for safety.

Flooring Apprentice
Coventry Carpets LLC. | Denver, CO

08/2018-09/2019

- Maintained organization, cleanliness and safety in all work areas.
- Worked alongside senior team members to learn all related job tasks and roles.
- Wide range of work including carpet installation, tile, glue down carpet, gym floors, base installation, and lvt (lamine flooring).
- Rolled out/up tools and equipment making sure there is ease of access and that the equipment is organized.
- Shadowed craft experts and supervisors to learn a wide range of simple and complex techniques.
- Responsible for removing old material and cleaning the subfloor.
- Responsible for moving customer's furniture with no damage to the owner's property.
- Installed Carpet in small areas such as staircases, closets, dollhouses, and bedrooms.
- Did big commercial jobs such as hotels, university commons, and work offices.
- Unloaded supplies from a truck into the warehouse either by hand, forklift or pallet jack.

Hood Cleaner
HOODZ of Denver | Denver, CO

02/17-08/17

- Cleaned kitchen exhaust fans both externally and internally by hand and with the use of a pressure washer.
- Applied plastic to the inside of kitchens to create a water drainage system for easy cleanup!
- Drove from restaurant to restaurant in a company vehicle with the responsibility of rolling out/up the equipment with organization and ease of access.

Floor Salesmen
BOARDLife USA | Denver, CO

02/2014-07/2016

- During the time of my employment, every 3rd Sunday of the month I met with the people of Big Brothers Big Sisters and educated them on how to operate, assemble and ride a longboard with safety as our number one priority!
- Educated customers on what they were buying, guaranteeing their satisfaction on the product as well as making their desired use fits the intended use of the product!
- Took inventory and examined merchandise to identify items to be reordered or replenished.

- Balanced drawers and operated cash registers.
 - Helped customers complete purchases, including processing payments and bagging items.
-
