Experience

Carpenter

BCBE

September, 2018 — February, 2020 (1 year 5 months)

Built all wood projects for BCBE during the building of one of there highrises on gulf shore Blvd.Installed hurricane proof windows ,also installed fire places,doors and all appliances that went in all the units in the highrise.

Forklift operator

Dal-tile Plant ,in Muskogee,ok

July, 2016 — March, 2017 (8 months)

Operated one of the many forklifts at Dal-Tile Plant in Muskogee Oklahoma.This was a non stop quick paced job of using the forklift to pick up pallets of tiles and relocating them to there location in the warehouse .Also Keeping track of the locations of the tiles I relocated . Condensing pallets of tiles to make room for new pallets and help keep warehouse as efficient as possible when stacking pallets non stop on a 12 hour shift.

Delivery Driver/Event coordinator

50/Fifty Event company

July, 2014 — June, 2016 (1 year 11 months)

Delivered floral arrangements to customers through out Collier and Lee county.I would set up events such as weddings, Birthday partys and any other event that was scheduled.And I would also come back after and break down the event and restock the warehouse items and clean up anything from event .Also I was to keep up the delivery vehicle with scheduled oil changes ,and any maintenance with the delivery vehicle.Always keep a neat appearance while doing all duties of my job,and I always keep good customer service.
