SUMMARY

Talented young man and team leader offering multiple years of success in all environments. Strategic thinker with proficiency in job tasks. Offers proven ability to build effective team skills and committed to identifying and leveraging opportunities for growth.

EXPERIENCE

Home Depot, Parker -

Order Picker

- Picked up and delivered cargo in tractor-trailer with expert knowledge of roads, highways and interstates.
- Went 500 days operating motor vehicles without an accident.
- Pulled and reviewed ~35 daily customer tickets to successfully fulfill orders.
- Reviewed over ~10 daily delivery documents and orders and reported any errors found on delivery documents to the supervisor.
- Obtained signatures needed to complete and process all paperwork efficiently.
- Contacted customers prior to delivery to coordinate delivery times.

King Soopers, Parker -

Clicklist

- Process online orders and immediately search the store for all requested products.
- Expected to follow specific instructions, meet order deadlines, and prioritize freshness whenever applicable.
