High school or equivalent

Central Senior High School

2011 to 2015

SKILLS

Photography (2 years), Graphic Design (2 years), Musician (5 years), Organization (5 years)

AWARDS

Most improved in Science

May 2012

I remember maintaining a B+ at the average. I was in the 10th grade and at the time initially, I found myself at a low point of failing. Something made me push a lot harder to show my teacher that I wasn't just like everybody else who walked the hallways and I also proved it to my mother as well.

GROUPS

Flawless Drill Team

December 2010 to July 2013

This was a drill team full of about 40 girls and 5 drummers who took on other drill and drum corps for competition. We won big cash prizes which some had went up to \$2,000 and a huge trophy. We took first place our first year out of state to Waterloo, Iowa. And again the second time once more. We traveled to Memphis, Kansas city, Iowa, Chicago, and other places as well including our home town; Saint Paul Minnesota.
