## **Objective:**

To apply my experience and skills in a production and manufacturing capacity.

## **Skills:**

Having worked in various customer service positions in bartending, food preparation, waitressing and industrial sewing, I am acutely aware of the importance of organization, efficiency, promptness, and working with others. An open, positive attitude is essential!

As a small business owner providing commercial and residential painting, I tackled the daily operations of scheduling, preparation, supplies, equipment, maintenance, employees, and accounting. My goal was to provide a quality product that represented my detailed and motivated nature.
