Objective

Seeking an opportunity to expand my skill base and knowledge while sharing the skills I currently possess with others.

Ability Summary

I have 20 years in customer services experience with cashier, supervisor and retail experience. Also have inventory experience, stocking supply and unloading inventory from truck, Also remodel store. I can change oil on vehicle and Maintenance. I have conflict resolution skills. I have maintenance experience within government building.

Employment History

07/2019 - 02/2022 **Produce Associate**

Walmart Supercenter, Laramie, WY

I was overnight team lead for the produce department there was a total of 4 of us working an area that should have been 8. We would break down the pallets when we had a truck that came in, and I would tell the guys ok one does the dry goods and the other would stock the cooler and I would run the carts and the Other person would run potatoes, everyone would take turns in different area of department.

11/2016 - 10/2017 **Cashier**

Walmart, Fountain, CO

I would check out customer's with their groceries and other merchandise as they come in the store. Also give co-workers breaks and lunches when needed. Zone and put the tiles in the Register are ready for the next person to use when we back up in lines.
