## Work Experience

---

### **Roofing**

Los Angeles, CA

February 2019 to Present

Worked with my father who was a professional roofer, but recently past away in his roofing business. He worked as an individual contractor, I have knowledge and have installed any type of roofing systems. From shingles, torch, tile, and make small roofing repairs as well. I have all the equipment necessary to install any type of roofing systems. Have been working on my own, satisfaction guarantee.

### **Machine Operator**

Rehrig Pacific Company - Vernon, CA

June 2016 to December 2018

Worked as machine operator, was training to become floor helper. Worked and performed my best under stressful environment. Worked and understood 20 different million dollar machine.

### **Manager**

Dry Cleaning Station - Castle Rock, CO

November 2014 to February 2016

Manage a dry cleaning store. Customer service experience. Manage to solve any customer service related issues. Work well with others. Responsible and respectful.

### **U.S. Army Soldier**

U.S. Army - Fort Hood, TX

January 2011 to September 2014

Specialist in the United States Army stationed at an engineering brigade. Work with million dollars worth of equipment on a daily basis. Daily practicing and growing leadership skills. Quick adapting to different environment and fully performing at my best to get the task done.
