720-326-2170

I'm at Dependable Machinist. I take pride in all my work. I pay attention to detail on all jobs. I take it from start to finish. In the fastest way possible. I make good parts what's a lot of pride. Have a great personality. And great work ethic. I'm looking for a company that has great stability. I'm definitely a good team player.

Willing to relocate: Anywhere

Authorized to work in the US for any employer
