## Work Experience

### **Supervisor**

Jays valet - Denver, CO

July 2019 to Present

I started out as a cashier, then moved up to supervisor of one of the busiest parts of the property. I made sure the cashiers had everything they needed such as extra machines, extra receipt paper, pens and scratch paper. I answered any questions or customer complaints. Then at the end of the night I would call it and send most of my team in to go home or on break. I set up cones for the customers coming then another set for them when they leave.
