### Packaging Supervisor

Grandma's Bakery - White Bear Lake, MN

Present

I start off my day by icing donuts and setting up the line of donuts, pastries, bagels, muffins , and cinnamon rolls. I help out in the other departments such as bread packaging/ grocery packaging or the production department that needs my help. I check the donuts that come down the line mid through the day and label the boxes with the route and sequence to be handed to the driver who come at night.

Accomplishments :

Team leader

Learned all departments thoroughly

Problem solver

Successfully train in new employees

Plan ahead

Enjoy learning new things

Worked independently covering all aspects of a department

Direct my co workers in the right direction

Communicate with others well

Work well with my co workers / team oriented
