Cover letter

Dear future employer,

My name is Ka zoua (Ka) Vang, my nationality is Asian (Hmong) and I'm capable of reading and writing both Hmong and English languages. Personality wise; I am a very hard, dedicated, and reliable worker and always willing to work above and beyond my expectations to ensure both me and my employer help deliver great customer service and quality product for our customers. My employer's achievement and success is of high important to me and as an employee, I will play an important role to ensure my employer's achievements and goals are met to the highest of standards. With my previous work experiences, knowledge, and skills I am willing to promote and apply them to my future employer to help ensure my employer succeed and strengthen to the highest of being a top company competitor and organization.

Please help review my attached resume and consider. Your thoughts and feedback would kindly be appreciated.

Thanks.

Ka Vang
