I am hard working, quick learning individual that will dedicated myself and excel in any form of work I am in. my dad ran a non profit in Georgia and I would drive his reefer van/ box truck through Atlanta traffic.

Authorized to work in the US for any employer

Work Experience

Non con

Wal-Mart Import Distribution Center - Loveland, CO

July 2018 to May 2019

i Would build pallets of freight while use it a center rider/personal equipment

Delivery Driver

Garlic Jim's Gourmet Pizza - Loveland, CO

March 2018 to July 2018

Delivery drove for awhile while I was in college, starting college again in August but don't wanna out all the miles on my car

Picker/Loader

High Country Beverage - Johnstown, CO

March 2017 to March 2018

Started off cleaning then got completely hired on to night shift as a pallet picker. I construct pallets of beer to go out to liquor stores

Seasonal Employee

Marshalls - Loveland, CO

October 2016 to January 2017

I would break down the pallets that came off the truck, then put together furniture and move it out onto the sales floor. I would also sort a few departments on the sales floor and a few departments in the backroom.

Server/Dishwasher

Cottonwood Residential - Milton, GA

October 2015 to April 2016

Responsibilities

I served food for a month or two until I was promoted to kitchen help

Accomplishments

I was one of the few to be quickly promoted
