## Work Experience

---

### **Contractor, Supply Chain**

Medtronic - Boulder, CO

March 2018 to August 2018

Planned manufacturing and purchased materials in support of the Surgical Hardware and Precision Instrument groups.

### **Planning Manager**

Research Electro-Optics - Boulder, CO

August 2016 to March 2017

Brought back to Colorado to improve on-time delivery performance. Managed a team of 5 planners.

### **Materials Manager**

MOXTEK - Orem, UT

November 2010 to August 2016

- Responsible for the purchasing, planning, and warehouse functions for this manufacturer of x-ray components and optical wire grid polarizers. Serviced an international industrial customer base.
- Devised a Kanban system of resupply for miniature XRAY sources which netted an additional \$5 million in sales annually with two key accounts.
- Manager/Designer of a supply chain encompassing laser cutting of carbon fiber structures, pallet quantity contracts of raw and coated glass, semi-processed raw materials from Eastern Europe, components from China, and other international sources.
- Led the company Sales and Operations Planning process.

### **Purchasing Manager**

Genesis Fixtures - Fort Collins, CO

November 2009 to November 2010

- Responsible for purchasing and planning at this manufacturer of store fixtures for national retailers including Verizon, CVS, and Chase.
- Successfully negotiated with our top supplier of particle board and melamine, saving 10% of purchased value or \$100,000.

Contract supply chain assignments for Amgen

July 2006 to August 2009

Brocade, and Peak Pilates.

## **Materials Manager**

Lund International - Longmont, CO  
June 2005 to April 2006

Responsible for purchasing, planning, and warehouse operations for this Tier 1 automotive supplier.

## **Supply Chain Projects Specialist**

Sorin Medical - Arvada, CO  
August 2002 to June 2005

Implemented a barcode based shop traveler that improved critical component traceability, transaction throughput, and saved 5 FTE positions.

## **Inventory Control Manager**

Echostar - Englewood, CO  
March 2002 to August 2002

Implemented an Oracle based Work Order-less Completion system for a high volume pack out line. This dropped the number of ERP transactions required from 1300 to 200 entries per week.

## **Materials Manager**

Amrion - Thornton, CO  
August 1997 to June 2001

Led the purchasing, planning, and inventory control functions for this nutritional supplement manufacturer with \$80 million in annual sales.

- A super user of Oracle applications for the operations team.
- Implemented a cycle count process which allowed the firm to discontinue a costly semi-annual physical count.

## **Manufacturing Systems Consultant**

Qualmark - Westminster, CO  
October 1996 to August 1997

Contracted to re-implement a MACOLA business management package for this manufacturer of environmental stress equipment.

## **Materials Manager**

Lifecare - Westminster, CO  
June 1994 to June 1996

- Responsible for a staff of 16 who performed purchasing, planning, shop floor control, warehouse, shipping, and receiving functions.
- Coached the buyer-planners in the effective use of a BPCS MRP system.
- Wrote warehouse procedures in support of a successful ISO 9001 registration.

## **Materials Supervisor**

Puritan Bennett - Boulder, CO  
November 1988 to June 1994

- Implemented a MRP system using ASK MANMAN.
- Developed a Kanban system of shop floor control for a new ventilator product. This system involved the use of barcodes to streamline repetitive computer transactions.

## **Production Planner**

R.R. Donnelley & Sons - Mattoon, IL  
January 1985 to June 1988

## Education

---

### **MBA**

Eastern Illinois University  
1984

### **B.S in Business**

Eastern Illinois University  
1982

## Skills

---

BUYING/PROCUREMENT, PURCHASING, SUPPLY CHAIN, MATERIALS MANAGEMENT, EMPLOYEE RESOURCE GROUP
