Work Experience

Material Handler/Forklift Operator

Manpower - Minneapolis, MN

April 2016 to November 2019

Created transfer orders using SAP. Use of rf scanners to receive/putaway orders. Stand up reach, sit down forklift, rider pallet jack, and cherry picker operation to move material to locations. Unload/load trailers for receiving/shipping. Help were needed. Cleaned up work area.

Warehouse/Forklift Operator

Randstad - Minneapolis, MN

June 2014 to March 2016

Checked schedule/calendar on Oracle for incoming shipments. Greeted driver at dock door to check Bill of Lading to verify with the system. Secured dock plates and locks. Unloaded trailers using lifts/jacks. Gathered packing slip to verify shipments. Noted any discrepancies. Received shipments using rf scanners and Excel software. Putaways using stand up reach trucks. Cleaned up work area.

Unloader/ICS Associate

WalMart Supercenter - Dallas, TX

March 2010 to May 2014

Unloaded Walmart freight and grocery truck trailers by hand/jacks. Forklift use as well for heavy/bulk. Separated merchandise by departments/aisles. Pulled merch to the floor for the stockers to putaway. Helped with stocking. Inventory control such as counts, audits, and picks using rf scanners. Worked store events. Customer concern help. Some cart pushing.

Logger Helper

Bradford Enterprise - Natchez, MS

June 2003 to January 2010

Choked timber for pull after the trees were cut down. Marked/cut timber with chainsaw. Power washed/cleaned equipment and cleaned shop area for grandfather's logging company.
