📁 Experience

Wicketor operator

Northeast packageing

June, 2018 —

Run and maintain equipment

food preparer

gate gourmet

January, 2018 — May, 2018 (4 months)

I prepared meals for various airlines by cutting, chopping, and wrapping dishes and meals and setting up the food carts for delivery. I also assembled food items on upright carts and airline equipment, including tray setups. Tray setups must follow airline specifications and usually include tray, paper tray liner, cup, plates, dessert, salad, snacks, bread, butter, condiments and eating utensils.

picker packer

first step staffing

January, 2017 — January, 2017

I fulfilled customer orders through quick and accurate selection of product and/or accurate packaging of customer orders for shipment. Helped ensure a proper and efficient flow of orders through the department.

Picker

Reads RF Scanner in order to quickly and accurately fill customer orders.

Picks items listed on scanner and places into container.

Verifies items picked match RF Scanner.

Verifies location and product against RF Scanner.

Adheres to all safety procedures in the performance of job duties.

Packer

Removes product from conveyor and places order on packing table.

Verifies that orders are in good condition for shipment.

After order is checked for accuracy, packs items into appropriate-sized cartons. Verifies the codes for catalog associations. Affixes shipping label to top of box.

Cashier

Family Dollar

February, 2015 — April, 2016 (1 year 2 months)
