Hello, my name is Kevin. I possess the knowledge, and the understanding of professional working etiquette ie. Being on time, and finishing tasks that are directed to me, as well as having the knowledge, and basic responsibilities, one needs to succeed. I possess math, communication, and verbal skills. I also have experience, working with invoice orders, tools, and my hands. I have machine operating experiences, I am not certified, but willingness to be. I am a fast learner, and I have great potential to succeed, as I enjoy my good work to be noticed, and up to your expectations. I am in search of full-time, permanent placement. In hopes of developing within your company.

Authorized to work in the US for any employer
