June 2002 - March 2003

Eastwood Printing
2901 Blake St.
Denver, Co.
From: March 1988 to Dec. 2001

Abilities:

I am widely skilled in stripping for 1 to 6 color presses, large and small format. I've stripped and produced saddle stitch and perfect bound books such as state law

books, cookbooks, magazines, journals, newspapers, and posters. I also have cartography skills and have produced state maps, highway maps, aviation and navigational maps, hiking and fishing maps, and maps for National Geographic.

I have worked with:

35 in. Goss Community web press

36 in. Harris Cottrell V-22 heat set web press

40 in. Harris M-1000 heat set web press

38 in. Miller Perfector sheet fed 2/c (with roll converter) press

38 in. Miller Perfector sheet fed 5/c press

55 in. Royal Zenith Planeta perfecting 2/c and 4/c sheet fed presses

65 in. Royal Zenith Planeta 6/c sheet fed press

I'm skilled in the conventional and digital process of line shots, halftones, and duotones. I've worked in Photoshop, Illustrator, Quark, and inDesign and other desktop programs in the computer to plate systems including the retrieval of pdf images off the Internet for publication.
