*Quality Welder and Proven Supervisor*

**PROFILE**

Production-focused, detailed oriented welding professional with over 30 years of experience in multiple welds; providing various services and products associated with the welding industry. A strong leader when the position requires my guidance, using the “hands on” technique to guide, train, and mentor others on the team. Confident in my knowledge and experience of the welding trade, and my ability to fabricate new products. An employee who consistently performs at a top production level while also producing quality work.

**AREAS OF EXPERTISE**

- Quality Control
- Prepare cut list for parts
- GMAW, GTAW, Aluminum, Aluminum MIG welding, and SMAW
- Help lead teams with welds, layout, and fit up
- Read shop prints

---
