My name is Kimo Swinney, and I'm a 21 yr.old male from St.Louis , Missouri. Recently finishing High School still determined to make a steady living for myself I decided to make change ,along with my mother and younger siblings.Now that we're finally settled, I managed to find sometime to get things on the roll, beginning with seeking employment first , Preferably a pm shift 3-11 being my first choice seeming I will be continuing my education soon .But I am willing to manage around whatever opportunity is available.I have no Certification's or Degrees at the moment but I can say that I'm a dedicated , dependable team player . I adjust to tasks presented to me at a timely but steady pace .I put fourth my best effort to substain my best qualifications in life ,which is always be myself and understand the major concepts in life . I've had the privilege to work several jobs in Missouri , just to name a few skills I've obtained (Catering, Caddie, Fork Lift, Cook, Dishwasher, Stock, Assembly Line Worker ,) those where all registered through employment ,but I also had the privilege to be raised by a mother that demanded that I learned everyday living tasks such as (Cleaning, *the next thing to God she says is cleanliness ,Housekeeping , inside & outside , Babysitting, Cooking , Laundry , Shopping ,) along with attending school and completing every given task .Respect ,Honesty, and Loyalty are in high demand in my life .I learned how to accept and appreciate the smallest things in life ,besides knowing that it's always better to give than to receive , I volunteer my services to neighbors,churches,and also to people in need of daily Adls. I thank you for taking the time to review my resume and I also thank you in advance for employment opportunity
