Objective

Find a company that appreciates hard work, motivation, and dedication. An opportunity to constantly learn and grow.

Skills & Abilities

Certified on heavy equipment like forklift, electric ladder, order picker, reach, and pacer. Inventory freight, unloading large truck orders, and picking ready customer orders. Use of first phone applications. Experience with automotive maintenance. Carpet/tile flooring- cleaning and installation. Light duct and HVAC related abilities.

Experience

Home Depot #1522, Freight and Recovery

2015-2017

Assessing stock, and inventory received, relocating and stocking, team building and management, pallet tags, unloading trucks and being flexible, I was cross trained in lumber as well as plumbing.

Grease Monkey, Pit Tech

2008-2014

52 point inspections of cars, timing belts, fluids test and change, oil change, filters, lights brakes, FIS radiator and power steering flush, tire rotations, inventory, cash management, customer service, opening and closing the store.

Champion Carpet-Lead Tech

2000-2013

Cleaned carpets vents and ducts, installed carpet and tile, responsible for driving, accounts payable, and customer service.

Communication and Leadership

Recipient of Platinum Status Homer Award (over 12 recognitions of accomplishment) at Home Depot in less than two years. Associate of the month numerous times for the freight team.

At Grease Monkey I was promoted to Lead Pit Tech quickly and was well versed in every position.

Maintained a long lasting relationship with the owner operator of Champion Carpets, and am able to leave on good terms and come back as a reliable trustworthy seasonal at my request.

Education

General Education Diploma-2007
