Work Experience

Farmhand

NewAg Restoration - Erie, CO

July 2019 to November 2019

Aided with the (legal) growth of hemp plants and assisted with over all physical security of the site which included installing surveillance equipment, security fences, and general armed foot patrols. Also planting, watering, and any other general need for the plants was a daily routine as well

Machinist

KYOCERA - Columbia City, IN

February 2019 to July 2019

Produced medical grade parts for several nationwide clients. Utilizing modern machine lathes and mills with measurement tolerances down to the nearest .0001". Production varied from bone screws and knee replacements to shoulder joints and bone shims.

Machinist

Richter Machine and Tool

2017 to November 2018

Produced parts out of several types of materials (polymer, aluminum, steel, and brass) to fit very specific specifications primarily for industrial sprayers. Maintained a clean and safe workspace in order to increase efficiency.

- Tasked with the operations of the CNC lathe and milling operations, producing thousands of parts over the past year.
- Took part in material inventory and oversaw the day to day shop safety and protocol.
- Used problem solving to troubleshoot any malfunctions of machinery, tooling, or the material.

Personal Trainer

24 Hour Fitness

2016 to 2017

Conducted training, strength, conditioning, and corrective exercise programs. Utilizing knowledge of basic human movement to improve overall health and wellness. Providing excellent customer service through detailed and meticulous coaching of each individual to reach his/her fitness/personal goals.

- Specialized in strength and conditioning/corrective exercise to improve muscular imbalances and overall discomfort.

- Aided in the training of approximately 30 different persons' personal health and fitness goals.
- Honed skills to also be successful in sales and client retention utilizing verbal and physical value building techniques.

Supervisor

United States Marine Corps

2011 to 2016

Monitored, trained, and resolved everyday issues as a supervisor with an expeditious thought process with a minimum of eight Marines at any given time. Coordinated security measures for a major government installation with approximately 5,000 military and civilian personnel. Conducted patrols via armoured vehicles and by normal beat patrol. Reduced the likelihood of insurgent/ criminal activity through constant key awareness and extreme due diligence.

- Accountable for major weapons systems and communication equipment. Responsible for tracking, inventory, and in and outbound recording of high-priced items with 100% accuracy.
- Conducted major on the job and specialty specific training of all subordinate Marines within the Division.
- Oversaw and coordinated daily strength and conditioning. Running a program with 90% Marine retention and success rate.
- Top body composition counselor within region. Leading to an overall pass rate of 95% of all attendees.

Highly motivated to continue to work with persons in and out of the fitness field. Excelled with counseling persons on daily progress in fitness, sports medicine, and general education. Highly capable of continuing to create specialized training and educational goals to progress the individual in their endeavors.
