RE: LUCERO, RICHARD DOB: 061966 SOC: XXXXX0306

No Colorado Record of arrest has been located based on information provided.

The Colorado Bureau of Investigation's database contains detailed information of arrest records based upon fingerprints provided by Colorado law enforcement agencies. Arrests, which are not supported by fingerprints, will not be included in this database. On occasion the Colorado criminal history will contain disposition information provided by the Colorado Judicial system. Additionally, warrant information, sealed records, and juvenile records are not available to the public.

The results are based on a name search which may or may not be the subject of this inquiry. This search does not include a fingerprint comparison, which is the only means of positive identification. Since an arrest record may be established after this inquiry, an arrest record is only valid at the time of the current request. To ensure the most current available information in regards to subsequent arrest after an initial inquiry, it is recommended another query be made.

Falsifying or altering this document with the intent to misrepresent the contents of the record is prohibited by law, and may be punishable as a felony when done with intent to injure or defraud any person.

Sincerely,
Ronald C. Sloan, Director
Colorado Bureau of Investigation
