

Lance Gish

Former Assistant Store Manager

Loveland, CO 80538

lancegish5_kbh@indeedemail.com - (970) 420-7539

My goal is to lead, engage and develop team members. I would love the opportunity to help drive business goals with any company that's interested in using my talents.

Authorized to work in the US for any employer

WORK EXPERIENCE

Sole Proprietor

LM Gish Construction - Loveland, CO - 2017-04 - Present

I'm currently a sub contractor, working exclusively with a skilled framer. I've been gaining experience with interior and exterior framing. I have a good knowledge of tools and how to use them. I have been responsible for taking measurements, cutting material, demoing structures, installing joist hangers, rolling out all tools needed for specific jobs, keeping work area clean, neat and organized, staining deck material, packing up all equipment at the end of day.

Assistant Store Manager

Walgreens - 2010-05 - 2016-12

Providing and leading extraordinary customer care, promoting sales by utilizing key merchandising strategies in all

departments, lead and engage team, develop and grow team, hire and train new team members, inventory management involving inventory control and ordering for optimal sales opportunities, strategic planning including

analyzing daily and hourly sales to optimize staffing, and work directly with store and district management to streamline operations.

Manager Trainee

Walgreens - 2005-02 - 2010-05

Customer leadership, inventory management, maintaining displays by utilizing gross profit reports, strategic planning and organizing for holidays and events, training new and existing team members, personal development

leading up to my promotion to Assistant Store Manager.

Head Photo Specialist

Walgreens - 2004-03 - 2005-02

Excellent customer leadership, leading the photo department team, promoting sales through merchandising and suggestive selling, maintaining a clean and organized photo lab, maintenance of photo machines, inventory

management for photo supplies and grocery department, training new team members, personal development to acquire a management position.
