Driver-Operator

06/2006-08/2008 Halliburton Energy Services Brighton, Colorado

My job responsibility's were to drive and operate a Frac Truck. I was also the Quality' Control Supervisor of the Chemicals that were being pumped down well hole during Frac job. I also drove a Acid Tanker, Sand Tanker and Chemical Flat bed truck. I 'changed the valves in the pumps and worked on the equipment that I operated.

Them achievement's that I acquired from this job were, I started out on the pump truck then to the pre-jell truck, then the blender and onto the Quality Control truck.

I also achieved my CDL Class A with Haz-Mat and Tanker Endorsements.

attended classes on Radiation, Hazardous Chemicals, Safety in Confined Spaces,

MSDA Sheets, Shipping, Transporting and the handling of Hazardous Materials. I

received fork lift training and certification. I attended truck driving safety classes and

Winter driving school.

Welder/Delivery

01/2006-06/2006 Waste Management Henderson, Colorado

My job responsibilities were to drive a welding truck out to different locations and 'weld lids, wheels and repair trash dumpsters. I also delivered garbage totes out to new customers residential homes. I received fork lift training and received certification.

#### Shop Foreman/Service

02/1991-12/2006 Jake's Quality Tire Duluth, Minnesota

My job responsibility's were to run the shop and supervise a 4 man crew. I also Did the after hours service calls out in the forest for logging companies and road side service. I ordered the parts, tires, new equipment for the company. I maintained the service trucks as well as keep them stocked with parts for road side repairs. I did the delivery of new tires to trucking companies for their stock.
