S Cody Street, Lakewood, CO 80226 | 303-475-8959 | leif.remington.b@gmail.com

## SUMMARY

---

Dependable and hardworking professional with over seven years of combined experience in overnight stocking, inventory handling, property management, maintenance, and physically demanding work. Experienced operating forklifts, order pickers, pallet jacks, and Zebra handheld scanners, as well as unloading freight, stocking merchandise, organizing inventory, and maintaining safe work areas. Strong mechanical aptitude, attention to detail, and ability to work efficiently with minimal supervision. Seeking a warehouse, fulfillment, shipping/receiving, stocking, or material handling position.

## EDUCATION

---

### Middle Tennessee State University

*Bachelor of Science (B.S.)*

## EXPERIENCE

---

### Property Manager

October 2021 – July 2026

*Basecamp Property Management*

*Aspen, CO*

- Managed day-to-day operations and maintenance needs for residential properties while handling multiple priorities and deadlines.
- Organized, transported, stocked, and maintained tools, equipment, materials, and property supplies.
- Performed and coordinated hands-on maintenance, repairs, inspections, and property improvement projects.
- Identified maintenance issues and developed practical solutions using strong mechanical and troubleshooting skills.
- Coordinated contractors, vendors, employees, property owners, and residents to ensure work was completed accurately and on schedule.
- Maintained detailed records, invoices, receipts, work documentation, and property information using computer-based systems.
- Monitored supplies and materials to ensure necessary items were available when needed.
- Maintained clean, organized, and safe work areas and properties.
- Worked independently with a high level of responsibility, accountability, and attention to detail.
- Prioritized urgent requests while continuing to complete scheduled daily responsibilities.

### Overnight Stocker

February 2019 – October 2021

*Lowe's*

*Glenwood Springs, CO*

- Unloaded, sorted, transported, and stocked merchandise during overnight shifts in a fast-paced retail environment.
- Operated forklifts, order pickers, and pallet jacks to safely move merchandise and freight throughout the store and receiving areas.
- Used Zebra handheld scanners to locate products, verify inventory, and support accurate merchandise placement.
- Replenished sales-floor inventory and ensured products were stocked in correct assigned locations.
- Assisted with receiving and processing incoming freight and preparing merchandise for stocking.
- Organized products, pallets, and materials to maintain clean, safe, and accessible aisles and storage areas.
- Lifted, carried, and moved merchandise throughout extended shifts while following company safety procedures.
- Worked efficiently as part of an overnight team to complete freight and stocking goals before store opening.
- Maintained productivity while working independently with limited supervision.
- Followed equipment, inventory, and workplace safety standards.
