## **Finish Carpenter. Metal worker**

Loveland, CO

[leongerard1965@gmail.com](mailto:leongerard1965@gmail.com)

720-322-3419

My goals are to use the knowledge that I have attained through past training and education to improve and apply my new skills to transform and elevate my skills as an industrial welder, giving me the opportunity to provide for my family.

Authorized to work in the US for any employer

## Work Experience

---

### **Lead Installer/Service Tech**

Builders FirstSource - Longmont, CO

April 2019 to October 2019

- Responsible for training ,installing , and servicing entry doors for custom residential homes.

### **Finish Carpenter**

Lg All Phase - Greeley, CO

March 2011 to January 2018

Welder Fabricator

- Sufficient in MIG (GMAW), TIG (GTAW), STICK (SMAW), and brazing.
- Able to perform cuts using hand torch and Plasma.
- Efficiently use hand tools of all types including grinders, saws, wrenches, drill press and many other fabrication tools.
- Weld Aluminum, Mild Steel, and Stainless Steel.

Finish Carpenter

- Installer of millwork packages (Commercial and Residential).
- In depth knowledge of millwork, construction, and material selection.
- Techniques in tools and equipment control and safety.
- Accurately read blue prints and project plans.
- Determine material needs, estimate cost and production delays.
- Proven expertise in project/team supervision.
- Excel at all communication with clients and architects.

1

Quality Assurance

- Inspected the quality of work of individuals in a high paced, demanding, and stressful environment.
- Communicate with building inspectors, project managers, and superintendents while working closely to achieve the desired look and deadline.

Assembler/Installer

- Installed the cabs, interior of the cabs, and lighting system of elevators.
- Worked with the assembly of the elevator cabs, passenger, and shuttle cabs.
- On site assembly including the interior cab panels, handrails, cladding, lighting, stainless steel transoms, flooring, base, crown molding, venting, glass, etc.

#### Customer Service

- As a Installer I represented the company's face and communicated directly with the customer, or representative of the customer, to review what was being installed for that day and when the anticipated time of completion would be, as well as when the elevator was going to be released and safe for use.
