Work Experience

Press Brake Operator

Metalcraft Industries | Westminster, CO

August 2019 to Present

Set up and operate press brakes . Make parts to tolerances on print. Operate stamping presses . Run tumbling department, timsave , grinding ..

Press brake lead .

Precision Metal Manufacturing | Northglenn, CO

2015 to 2019

I would oversee the whole press break department.. Helping people with setups and checking quality of people's work. I would also set up machines for people to run. And do prototype work.

Education

Machine trades (12 grade + 2 years trade school)

Broomfield High School | Broomfield, CO

1989 to 1991
