RE: Leroy Vasquez 5/1/65

September 15, 2015

To Whom It May Concern,

Leroy was seen in my office today for a left foot injury. He cannot return to work at this time due to the injury. May return on 9/22/15 if the foot is healing as expected.

If you have any further questions please contact my office.

Sincerely,

A handwritten signature in black ink, appearing to read "Ryan Flint".
